

“ Removing the **SIN** from the Party ”

The Porterville Area Republican Assembly says, “ We need to remove the **SIN** and the **SINR’s** from the Conservative Wing of the Republican Party.”

These **SINR’s** – **Secret Interest Neo-Con Republican’s** (AKA-Sinners) covertly brought their **SIN** of War-Mongering and Murder into the Republican Party under the guise of Conservatism -- and we soundly REJECT their plate-forms policies, politics and politicians. And we REJECT their **SECRET MILITARY PLANS** for a **NEW WORLD ORDER** !

As well, these **SINR’s** are continuously attempting to infiltrate the CRA and the Tea Party Patriots by way of their Bohemian boys, Bonesmen, Bilderbergers and other occult-like clubs and secret societies.

These NWO Neo-Con’s (**SINR’s**) will stop at nothing until they convince righteous conservatives to side with their corrupt clandestine campaigns. Conservatives, Christians and Patriots must expose these **SINR’s**.

We adjure the CRA members to vehemently expose, reject and remove these “Unrepentant SINR’s” and their Anti-American NWO Agenda !

In 2010 the CRA will be asked to endorse certain so-called conservatives, albeit Neo-Con’s and being the Conscious Conservatives that we are, we must stand our ground regarding their **EVIL INTENTIONS** and **NWO** !

Please sign “PARA’s Petition” to adjure the CRA to remove or replace SINR’s from any future CRA Endorsement.
